

ROJISHMA LAGHU

📍 Byasi-2, Bhaktapur, Nepal | 📞 +977 9818271818 | sakuralaghu@gmail.com | [LinkedIn: rojishma-laghu-7538b9376](https://www.linkedin.com/in/rojishma-laghu-7538b9376)

PROFESSIONAL SUMMARY:

Recent Electronics and Communication Engineering graduate with experience in IoT, robotics, and technical education. Completed an internship at Nepal Telecom and worked as a Teaching Assistant and STEM & Robotics Instructor. Strong communication, problem-solving, and teamwork skills with a passion for learning and applying engineering knowledge in practical environments.

ACADEMIC QUALIFICATION:

- **Bachelor in Electronics and Communication** – Khwopa Engineering College, Purbanchal University |2024| GPA: 3.51
- **+2 Science** – Khwopa Secondary College, National Examination Board | 2077 B.S (2020 A.D) | GPA: 3.05
- **SEE** – Genuine Secondary School, National Examination Board | 2074 B.S (2018 A.D) | GPA: 3.6

ACADEMIC PROJECTS:

- **IoT-based Energy Meter (Mini Project):** Developed a smart energy meter using ESP32 and IoT for real-time monitoring.
- **Design of Real Time Seismic Monitoring System (7th semester):** Designed with Raspberry Pi, ADXL345, validated using FFT, log-log analysis, and shake table tests.
- **Design of Seismic Monitoring System (Final year):** Designed with Raspberry Pi, MPU6050, LoRa; measured transmission delay and distance.

TECHNICAL SKILLS:

- Programming: C, C++, Python (Basic), HTML & CSS (Basic)
- Software/Tools: MATLAB, Proteus, KiCad
- Hardware: Arduino, Raspberry Pi
- Knowledge Areas: Communication Systems, Signal Processing
- Others: PCB Design, Circuit Simulation, MS Office (Word, Excel, PowerPoint)

TRAINING AND CERTIFICATION:

- **Satellite bootcamp (4 days)- E cube,Antarikchya Pratisthan Nepal.**
- **Basic Drone Professional** – Miss Tech, Robotics Association of Nepal
- **Arduino Training (15 hrs)** – Khwopa Engineering College.
- **Robotics, IoT, Hardware Programming, Drone & 3D Printing (5 days)** – Project Digital SHE, Miss Tech.

VOLUNTEER EXPERIENCE:

- **Robo Yuddha & Chakrabyuh Robotics Competitions, Khwopa Engineering College (2024)**
-Assisted with event logistics and technical coordination.

EXPERIENCE:

- **Intern | Nepal Telecom | 7 Months:** Assisted in telecommunications network operations and technical activities.
- **Teaching Assistant | Khwopa Engineering College | 5 Months:** Assisted in laboratory sessions and guided students in practical activities.
- **STEM and Robotics Instructor | Technobot Education and Research Center | 2 Months:** Conducted robotics training and supervised hands-on projects.

LANGUAGE PROFICIENCY:

- **Nepali:** Native (Reading, Speaking, Writing)
- **English:** Fluent (Reading, Speaking, Writing)
- **Newari:** Mother Tongue
